Context

Our model of Career Design is built on two interlocking parts:

- A. Five Strategic Behavioural Capabilities (Advance employability program): Growth Mindset, Career Intelligence, Digital Intelligence, Cultural Intelligence and Influence.
- B. Skills mastery through Project-based Learning, delivered through team projects focused on emerging areas of technology and business, leading to global professional credentials.

A. Five Strategic Behavioural Capabilities

1. Growth mindset
2. Career intelligence
3. Digital intelligence
4. Cultural intelligence
5. Influence

B. Skill mastery through Project-based Learning

The other strand of our Career Design approach is the focus on development of the students' technical skills through project-based learning. The students are evaluated as a team but also receive individual performance feedback through 360-degree evaluation from the Project Manager (Skills Mentor), Customer (Subject Matter Expert) and peers (Team members).

Learning methodology

The employability.life learning experience combines Projects focused on technical skills and coaching for strategic behavioural skills, either running in sequence or in parallel depending on the setting. The students would receive the services based on the type of partnership undertaken by an institution.

MoU Period, Suspension and Termination

This is valid for 1 year from the date of signing. Both the Parties may terminate this Agreement by serving at least one month's prior written notice upon the other Party.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the Execution Date by nominated authorised person.
