### **BRIDGE COURSE**

A six days (30 hours) bridge course was organized for first year students of Bachelor of Interior Design from 5/09/2022 to 12/09/2022. 30 students of first semester participated and benefitted from the workshop. The programme was inaugurated on the occasion of Teacher's Day.

The aim of the course was to orient students coming from verging streams like humanities, commerce and science and put them on a common platform. The aim was skill development in varying faculties required by an interior designer such as observation, functional correlation among activities, lettering, team building, verbal communication, imagination and sketching.

The Calligraphy workshop was organized to develop lettering skill required on all drawings. The 'scene development' creativity workshops and 'role-play' creativity workshop was targeted to develop the imagination and vision in different activities an interior designer is likely to face in the profession. The icebreaking session developed the interaction among students and the first lessons on team building were given during this workshop. 'Innovative communication' workshop developed the verbal communication.

The lecture series on 'The profession of interior design in the corporate sector' by Urvashi Bannerjee, 'The profession of interior design in the arts and crafts sector' by Deepa Deshpande showed the avenues to the future. Ms. Arundhati Sathe spoke about 'The Role of IIID and the Profession of Interior Design'. Both the speakers are alumni of our department. The audio visual presentation on 'Detail Insight for aspiring interior designers' by Vinti Gandhi expressed the skills required to be developed by interior designers. The lecture on post graduation opportunities by Aishwarya Nimbalkar an alumni of our Department, paved the path to education opportunities after graduation. Workshop on 'Innovative Communication' was conducted by internal faculty.

A feedback was collected from all participants.
